Nowadays children watch more and more T.V. and play less. This is an easy way for the parents to keep them entertained but at what cost?

Talk about the role of television in family life and how to control viewing habits.

You have up to 5 minutes to prepare your talk. You can take notes or make a brief plan of what you are going to say. Talk to the examiners for about 3 – 4 minutes. You can use your notes during your talk but not read them out loud. At the end of your presentation, the examiners will ask you a couple of questions. Your production will be recorded.
